UBT	<ul style="list-style-type: none"> • MLK project: Collection Jan 6-17 (10:00), 2020. Hygiene kit drive for charity. Let any UBT rep know if you are interested. They will pack on Jan 18. Refer on the list and must be full-size items • 2020 collaboration: topic under “patient satisfaction” or “member complaints”. Need ideas on what we want to work on, has to be different from what we are already working on. • Spread and adopt project: “Escape Room”. Riverside service area met the goal. • PSP: data is available on UBT board • 	ALL STAFF

This concludes the Minutes of the December 17, 2019 Lab Staff Meeting.

Prepared by: Patricia Chea, Marissa Calilung, Marie Rutledge, Kompan Hallman Date: 12/18/2019_

Laboratory Care Delivery System Regional Reference Laboratory System

To ensure patient safety, reduce the possibility of contamination, and prevent test cancellations.

CT/GC Genprobe Aptima collection tubes (urine/swab) will be placed on blue Labotix racks for transportation to the Regional Labs, in place of using biohazard bags currently in use. Please view example below

INSTRUCTIONS:

- Place CT/GC Genprobe Aptima collection tubes with blood tubes and urine Grenier tubes on the same blue Labotix rack
- Transport may either be ambient or refrigerated but not frozen
