### Program

#### Lab Competency Assessment

Test, track, and document staff competency online through bi-annual tests in all the major areas of the lab. Create your own facility specific competency tests using the online authoring tool.

#### Lab Training Library

A growing library of over 45 training courses for laboratory staff and students. Subjects range from specimen collection and processing to hematology, urinalysis, body fluids, microbiology and more.

#### POCT Competency Assessment

Test, track and document competency assessment for selected Point-of-Care test kits. Includes online competency test authoring tool for your facility specific procedures.

#### PPMP Competency Assessment

Test, track and document provider competency online through bi-annual tests in 8 provider performed microscopy procedures.
