GP 10/6/14

CC: Angie Thayer, WFBMC Point of Care Testing Coordinator

Melanie Haire, WFBH Laboratory Compliance

Date: 10/6/2014

Re: Addendum to job description of staff members that perform point-of-care testing

Managers,

Please place a copy of this memo addendum in the personnel file of **each staff member that performs point-of-care testing.**

Individuals who perform point-of-care testing shall be responsible to the following job description statement.

“Performs and maintains competency for point-of-care testing as assigned; **waived and/or non-waived**, ensuring compliance with WFBH policies and with applicable state and federal regulations.”
