Laboratory Reflex Testing

Document Type: Guideline

I. PURPOSE AND OBJECTIVE:

To provide guidelines in regards to Reflex testing.

II. INTRODUCTION:

Automatic reflex testing is performed by Beaumont Laboratory following standards of laboratory practice outlined in the [Reflexive and Repeat Laboratory Testing](#) policy. Beaumont is committed to abiding by all Federal and State laws, regulations and guidelines regarding reflex testing.

Reflex testing occurs when initial test results are positive or outside normal parameters and indicate that a second related test is medically appropriate.

III. REFLEX TESTS:

See the [Algorithms for Reflex Tests](#)
