

Training for Federal eCCF® via eScreen123®

Your facility is set up for Federal eCCF training, please log into the Alere Learning XChange™ training portal to view the training video and complete the quiz.

Online eScreen123 training for Federal eCCF on DOT-regulated urine collections

The Alere laboratory is approved to utilize electronic custody and control forms (eCCF®) for DOT-regulated drug tests. eScreen123 users have access to an online video via the Alere Learning XChange training platform for education on performing an electronic Federal Chain of Custody form via the eScreen123 system.

To view the Federal eCCF training video and complete the quiz, log in to your Alere Learning XChange account at:

www.escreen.com/training

and select the course titled "eScreen123® - Federal eCCF for DOT Drug Screening."

eScreen123 tip sheet for Federal eCCF

To view the eScreen123 tip sheet for performing an electronic Federal Chain of Custody form for urine drug test collections from eScreen123 go to: Tools/Help/Tip Sheets/eScreen National Accounts (Non Wal-Mart) and Clinic Clients/Federal eCCF Urine Collection Procedures Tip Sheet.

Questions? Please contact your Alere eScreen Client Services team at clientservice@escreen.com or by calling **800.881.0722 option 5**.

Alere™ Learning XChange™ TRAINING PORTAL

Ready to access the portal?

Follow these instructions for a one-time registration:

Step 1: Start by visiting the login page.

www.escreen.com/training

Step 2: Login with your facility's temporary credentials.

User name: [clinic](#)

Password: [welcome](#)

Step 3: Create a unique profile. This will require a unique user name, your name, **your clinic name and ID**, email address, phone, and a password.

Step 4: For security, you will be directed back to the login page, where you will enter your newly created user credentials. Your account will now be associated with this specific group, and you can begin viewing training courses.
