

Microbiology Laboratory Staff Meeting Minutes

March 20, 2019

12:00-13:00

1. Laura S trip to ProvLab:
 - Laura discussed what she did when she was at ProvLab each day.
 - Discussed some of the things she learned (GeneXpert, Alere rapid test)
 - Staff asked questions about what she saw.

2. MTS:
 - Laura S will be adding all documents to MTS even if they are all draft.
 - She waited until after PDI applications were complete.
 - Please take your time when reading these procedures. There will be a lot of them on there.
 - Most have already been read by staff but it is good to do another read.

3. No TB:
 - We have stopped doing TB testing now until after the move.
 - If a STAT smear is required, please see LIS so they can add the ordering code.
 - All orders of CXAFB will be changed to MRAFB.
