

Laboratory Staff Meeting Minutes

July 10, 2019

11:30-11:40

Attendees: Chantelle, Erin, Amy, Laura G, Sally, Laura S, Cole, Solomon, Kayla

Recorder: Kayla & Amy

1. Biohazard Boxes – Large ones
 - Found in the TB Anteroom
 - Moses ordering 10 every Monday
2. Harmony Testing
 - GNWT funding this test now for certain patients meeting specific criteria
 - Will be a specific Req.
 - Patients who do not fit can be directed to have private testing done at Gaia downtown
3. QCNet
 - Biorad Unity licence is renewed so QCNet access is restored.
4. Quarterly Stats
 - Turn around time (TAT) has improved from last quarter – great job.
5. Nunavut patients Health Care numbers
 - Be careful when accessioning NU patients – if they have an old NT Healthcare number this will sometimes flow into the LIS from medipatient. Ensure the correct HC number is there not an expired NT number
6. Welcome Back to Sally!
7. Water Sample Bottles
 - Kept in Outpatients and Stores
 - Will bring a few to main lab for on the weekends when they are needed to be given out.
8. Round Table:
 - none
