

Laboratory Staff Meeting Minutes

November 20, 2019

11:120-11:30

Attendees: Laura G., Laura S., Connie, David, Kim, Theresa, Chantelle, Holly, Adrienne, Kayla

Recorder: Amy

1. Airport Emergency Exercise

- Will be tied in with the hospital – mock disaster exercise
- Unsure how involved lab will be at this time
- Updates to follow when Chantelle knows more.

2. Epic

- Working though issues – effecting some regions more then others
- We will likely be receiving and running samples for the Sahtu region or other communities that typically go to dynalife – no micro – Chantelle to update with more info
- Codes for Dr's and location continue to change – ensure new codes are being used when requisitions come with old codes on them
- A report with the new codes will be sent to each ward when ready

3. Contact Info Changes

- Canadian North Cargo is now out of the old First Air cargo building on Bristol – direct cabs there when sending boxes by cab
- Canadian blood services no longer has a dedicated afterhours number – call regular number and there will be instructions for afterhours.

4. Accreditation

- Good feedback was received for the TM mock tracer activity
- Reminder to wear PPE
- Need to work on the environment – cleaning up stuff – possible reorganization of things

5. Round Table

- People will be attending the Social Committee Holiday party on Dec 7th. Let Theresa or someone else going know if you are so we can get a lab table going.
- Lab Holliday Party will be at Theresa's house on Dec 21st. 7pm. Potluck and gift exchange. Please sign up on Tech II office door. Spouses and partners allowed. No kids.
