

Accreditation: Education Sheet

November 2019: **Evidence Based Best Practices**

What is Evidence Based Practice (EBP)?

Using current scientific research to promote the best possible decision making.

All front line staff providing patient care needs to use EBP.

Why is EBP important to all of us?

- ✓ Promote patient safety culture
- ✓ Reduce adverse health outcomes
- ✓ Professional expertise in making patient decisions
- ✓ Professional responsibility

What online databases do we have access for EBP?

<p>➤ EBCSO:</p> <ul style="list-style-type: none"> ○ CINAHL & Nursing Reference Centre Plus Skills competency checklists, care plans, videos & more! (Access until December 31/19) https://search.ebscohost.com/ ID: <i>stanton2019</i> Password: <i>health1#</i> 	 SCAN ME
