

Microbiology Meeting Minutes

October 6, 2021

10:00 to 10:30

Present: Laura S, Solomon, David, and Laura G

1. Inuvik ordering PCABR:
 - We will notice more of these samples coming here from Inuvik
 - We need to receive and plate the order. Then the sample goes in the blue bucket labeled PCRES/SCOV2/PCABR

2. Urine and MRSA plating:
 - Only set up once now at 14:00
 - Other samples can be set up whenever just make sure to mark on the plates that they were just set up, so they are not accidentally read too early

3. Roundtable:
 - No one has anything
