1. How to add QC to TQC for Trich test:
 - Laura S will show how to do it on the screen
 - TQC item ID is OSOMTRICH
 - Go to order entry just like anaerobic trays/jars
2. Delete a card on the VITEK 2 after validating:
 - Laura S will show how to do it on the VITEK computer
 - If you need to go back and alter your cassette, the only way to do this is to delete the card you want
 - To be able to do this you need to highlight the card graphic and then select Delete card
3. Pharmacy on-call:
 - Katie had a situation on the weekend
 - If you get questions about patient treatment, tell the person to call the PCC and then they can call the pharmacist on call
 - We shouldn't be answering these questions
4. Shutting down BioFire:
 - If we need to shut down the BioFire, you need to switch off all modules first
 - An alert came out about this because if you don't do this it can damage all the modules
 - If you are not sure how to do this, Laura S can show you
5. Roundtable:
 - Urinealysis: On the week
