- **MLA-** We have hired a new MLA, Jennielou (Lou), and she will be here with us until March 31, 2026.
- **Christmas Potluck-** A reminder that the Christmas potluck is this Friday. Also, Coralee has placed a box in my office for those who wish to donate to making a shoebox for the Women's shelter.
- **Influenza-** As you may have seen in your emails we are seeing an increased activity of influenza in the NWT. Please ensure you are doing your personal risk assessments when having patient contact, and make sure you are following proper hand hygiene protocols.
- **Payroll-** A reminder that tomorrow at noon is early pay cutoff. Then next Thursday will be the cutoff for the Jan 2<sup>nd</sup> pay.
- **Osmometer-** The osmometer has been approved for use by APL. I have created some training checklist so I will try to begin that training in the next few weeks. Those who are off over Christmas you will receive training when you return in the new year.
