

TRAINING UPDATE

Lab Location: SGMC & WAH
Department: Specimen Processing

Date Distributed: 5/27/2016
Due Date: 6/30/2016
Implementation: n/a

DESCRIPTION

Name of procedure:

Specimen Acceptability Requirements GEC.L39, SGAH.L44, WAH.L42 (*can be found in General Lab Policy manual*)

Specimen Receipt and Processing GEC.S232, SGAH.S902, WAH.S900 (*can be found in Specimen Processing manual*)

Description:

Review the above SOPs in the procedure manuals if you need to be refreshed on specimen labeling requirements. Neither SOP has been revised recently

The quiz that follows will cover criteria for specimen labeling and for rejecting specimens.
