**PURPOSE**

To provide instruction for how to upload new or revised documents to the Medical Training Solutions (MTS) website at [www.medtraining.org](http://www.medtraining.org) for documentation of staff review of new Franciscan Health System Laboratory documents.

**BACKGROUND**

The MTS system has the functionality to notify staff of new or revised documents, and time stamps the attestation of the staff review. Reports can be pulled to show dates of review by staff member. The Lab portal can be subscribed to so that persons can be alerted when there are additions to the lab portal to begin the staff review process. Groups of users can be created by administrators to make the assignment of documents for review more efficient. New versions of existing documents on the MTS system can be uploaded.
