

Weekly Updates

January 24, 2014

Test	Description of Changes	Affected Individuals
Critical Value Notification	Colleen or Kim should be the first call for criticals whenever possible. They are interacting with the providers and patients, and responding to criticals falls within their daily duties. Nancy and the other triage nurses are a last resort. Use them when Kim or Colleen are not available.	All Staff
New FDC	On Monday January 27 th , Shoua Lee will start as our FDC. Please give her a warm welcome.	All Staff
Hemocue Glucometer	We now have a procedure to guide usage of the Hemocue Glucometer. Please perform the competencies, which includes reading the procedure. Ask if you have any questions.	All Staff
Cerner QC	All staff take a moment to familiarize yourself with entering QC in Cerner, especially if this is a new skill for you. See below for a link to the 'help' guide. **Hemocue QC was added.	All Staff
