

Weekly Updates

January 31, 2014

Test	Description of Changes	Affected Individuals
Recycling	Sue Seim did some research and the following items are recyclable: <ul style="list-style-type: none">• ACE Alera System Diluent• ACE Alera Cal A• ACE Alera cuvette sleeves	All Staff
Critical Values	Updated. Add upper limit for platelets.	All Staff
Dbili limitations	Updated the Ace Alera procedure to reflect current practices. -look under test limitations.	Bench Techs
Stain	We are using the expired stain in heme until further notice. Each time we order new stain it freezes during transport. We will re-order it once the temperature warms.	Bench Techs
Hamsa	At this point, we do not have Hamsa on the February schedule. If you have questions, see Sherry.	All Staff
RSV	We expect to go live with RSV on the Sofia in mid-February. Stay tuned for training and process changes.	Bench Techs

Procedure Additions, Updates and Changes:
