

Weekly Updates

January 15, 2015

Test	Description of Changes	Affected Individuals																									
Mobile Work Station	At the end of each night, please roll the cart into the office and plug it back in to recharge. Sherry and Denelle will be locking the office door and expect the closer to pull the door shut to secure the laptop overnight.	All Staff																									
72 hour stool can	I moved this can to the center lower cabinet, top shelf at the back across from the printer.	All Staff

Context		
Sysmex ID mismatches	It is important that the peon label on the sysmex printout matches the ID. If they don't match, which is quite likely, then place both the lead and hgb peons on the sysmex printout.	Bench Techs
Foot Draws	FYI: We do not perform foot draws. Please seek lead or supervisor support if this request is made.	All Staff
