

Weekly Updates

April 17, 2015

Test	Description of Changes	Affected Individuals
Lab Coats	We can put dirty lab coats in the red bag right in the lab. Currently, the red laundry bag is hanging on the lab coat hook. ☺	All Staff
MA Emergency	This is insurance that covers emergency visits only, so we CANNOT use it. If they have nothing but this, please use the NP Corp account.	All Staff
Valid Insurance that won't link	If you have an insurance the cannot be linked, let Denelle know. We are aware of some coverages that are 'restricted.' We are working with billing and HCMC to solve this issue.	All Staff
Lab Week	Next week is Lab week. We will be having a pizza party on <u>Tuesday at noon</u> . We encourage you to come in and celebrate!	All Staff
Heme Scope	FYI: the 50x objective on the heme scope is not 'par focal.' So we have changed the order of the objectives to 10x, 40x, 100x then 50x. You can use the 50x but you will have drop the stage down and use the coarse objective to focus.	All Staff
