

Weekly Updates

October 9, 2015

Test	Description of Changes	Affected Individuals
Pediatric Band-aids	There is extra stock of pediatric band-aids now stored where we had the Cholestechs. This is on the back side of the center island in the cabinets.	All Staff
CoaguChek Error Log	On the result clipboard, we have a log sheet to document errors and associated troubleshooting.	All Staff
FYI – Emergency MA	<p>Here are some screen shots of what emergency MA looks like. This is NOT an insurance that we can use. If they have this, you should use Corp account.</p>  <p>Sima,Bele</p> <p>Type: P/F Ver status: Elapsed Balance: 748.94 Acct status: Collections E-MA MEDICAID/MA EMERGENCY MEDICAL ASSISTANCE Cvg status: Elapsed Subscriber: Sima,Bele</p>	All Staff
Pending Logs	It is everyone's responsibility to check the pending log. Please check it before breaks and before you leave for the day, at a minimum.	All Staff
Afinion in Draw Room #1	This Afinion has been taken out of service due to recurring malfunction. Please remember to write and communicate with T2 staff when you have OB A1C's. T2 remember to communicate the results to the phlebotomist and/or patient.	All Staff

**Orders from
HCMC
Storeroom**

Please help me manage orders from the HCMC Storeroom. There is now a clipboard on the wall in SO. On this clipboard is a copy of the order(s) and the expected delivery date. Generally, deliveries occur Wednesday afternoons. Let me know when or if supplies that are expected, do not arrive. Thank you for helping me manage the orders. 😊
