

Weekly Updates

October 28, 2015

Test	Description of Changes	Affected Individuals
Wipes	Please remind our patients not to flush wipes, diapers, baby wipes, sanitary napkins or anything but toilet paper down the toilet. There have been some major sewer backups that they believe are linked to these items being flushed.	All Staff
Cleaning Scope	Please remember to clean the heme scope objectives each and every time after you are finished diffing. The objectives were COVERED in oil and haven't been treated well. ☹️ Also, use the least amount of oil possible...	Bench Techs
Fixed links for procedures	I checked and the links are correct. I will try to do this again. If it is still not working, then I will send the links via email.	All Staff
New and/or Revised procedures	Follow the links below to check new and/or revised procedures.	All Staff
AIDET work	Please complete your AIDET Activity Form so that you can participate in World AIDET on Thursday 10/29 from 11:30-1:30. Even if you are not here, you will still need to complete the form and turn in to Sherry.	All Staff
Health Assessment	Hennepin County Employees: Please make sure your health assessment is complete by October 31 st .	All Staff
