# BSL III PAPR with Minimal PPE

- Scan your ID badge to enter room 104
- PPE Required to enter BSL III
  - Shoe Covers
  - One pair of gloves

# BSL III PAPR with Minimal PPE

- Entering the BSL III room 105
  - Check the ping pong ball air flow monitor over the door to room 105.
    - If you do not see the ball (negative pressure), you may enter the room.
    - If you see the ball (positive pressure), do not enter and contact your supervisor.
    - Enter your 5 digit code and press \* to enter.

# BSL III PAPR with Minimal PPE

- Exiting the BSL III
  - Leave room 105 in the BSL III and step into the yellow tape zone in room 104.
  - Remove one shoe cover and step outside of the yellow zone with that foot only. Repeat for the second shoe cover. Place both shoe covers in the biohazard box.
  - Remove gloves and place in the biohazard box.
  - Wash your hands.

# BSL III PAPR with Minimal PPE

- Leave room 104 and sign out of the Activity Log in room 103 by entering the time out.
- Exit room 103 by scanning your badge and exit into the main hallway.
