Correcting Erroneously Accessioned Cases Policy

Adopted Date: 06/07/02 Revision Date:
--

PURPOSE

To standardize the process of correcting erroneously accessioned cases in PowerPath.

SCOPE

For all department personnel manage PowerPath cases that have been accessioned in error.

POLICY

If a case is not finalized, correct as needed or enter a comment in the Results section and sign the case out, see Correcting Erroneously Accessioned Cases procedure, 100-02-01-09. If a case is finalized, issue an addendum or amendment for corrections. **Cases are not to be deleted in PowerPath** due to potential billing issues and report distribution in MINDscape and on hardcopy.
