## Reference Laboratory Results Reporting Policy

Adopted Date: 08/09/11 Review Date: Revision Date:
--

### PURPOSE

To ensure that results from outside testing are recorded and reported in PowerPath.

### POLICY

All results that are received from outside reference testing are to be scanned into the images tab in PowerPath and reviewed by the attending Pathologist associated with the case. The Pathologist will report out the reference laboratory results in an Addendum to the original report.
