I. POLICY/SCOPE

It is the policy of UPMC to strive to provide a smoke and tobacco-free environment for all of its United States based subsidiary employees, physicians, patients, visitors, volunteers, contracted personnel, students, non-employed medical staff, and vendors while working in states, such as Pennsylvania, where such policies are lawful. Smoking and the use of tobacco is prohibited in UPMC owned or leased facilities, buildings, passageways and parking garages and is prohibited during the work shift.
