Department of Clinical Laboratory & Anatomic Pathology

To: All Clinical Laboratory Assistants

From: Cedric Bol, Director of Clinical Laboratory Services

Date: 10/25/23

Subject: Directive Memorandum – Use of Drawers for Specimen Processing

****DIRECTIVE MEMORANDUM****

Effective immediately, the use of drawers in the Lab Accessioning Room to hold Laboratory Specimens during the specimen receiving process is strictly prohibited.

The potential loss and or misplacement of Laboratory Specimens provides enough risk of delay and/or harm to Patient Care.

Thanks,

X Cedric Bol
