

Color Blind Assessment

Course Instructions

Please proceed through the course by clicking on the blue arrows or text links. Use the table of contents to monitor your progress. Your progress will be saved automatically as you proceed through the course, and you may later continue where you left off even if you use a different computer. You may encounter practice questions within the course, which are not graded or recorded.

Exam Instructions

On the following pages, you will find an exam based on the material contained within this course. Please answer each question. When you click "OK" on each question, the exam question will be graded -- you will not be able to revise your answer once you click "OK." Your progress through the exam will be bookmarked, so you can continue from the last question you answered at a later date. At the end of the exam, your final score will be displayed, and you can print a certificate of completion.

Graded Question

Exam

Identify the number or shape seen. If you see neither, please indicate that.

Enter your answer
