

## Deviation From SOP

Date: 5/31/24

### Affected SOPs: Preparation of Re-constituted Blood

Immediate implementation of deviation from this SOP based on needs of the Clinical Team and Blood Bank.

### Description:

5/31/24: NICU and SFT coordinators for the manual exchange process have created a new workflow for patients needing reconstituted blood.

- In this workflow, they will notify Blood Bank MD on-call when they think a patient may need a manual exchange.
- We (BB MD) can then coordinate with this team to make sure we have someone in-house who can make the product.
- The clinical team will also notify us when the order has been placed.

The clinical team has also decided that they are going to waive the K+ check.

- They are going to manually remove the comment about checking K+.

### Summary of Changes:

Deviate from SOP

- 1) Re-constituted blood will be coordinated with BB MD.
- 2) Discontinue the K+ testing but continue with the Hct.

### Implementation of Change

This deviation for improved communication and discontinue K+ testing will be implemented with approval.

Follow up: Revised the SOP to match this practice.

You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
