Lab IS	S Update	Щ
Date:	06/24/2024	
Topic: Audience:	FAQ - Cerner Upgrade to Code Level 2018.19 on 07/14/2024 All Cerner Users in the Laboratory	
Overview:	This document summarizes changes to be expected with the Cerner Upgrade.	

## **Provider Selection**

• When you select a provider in the Provider Selection dialog box, you can filter for providers with an active relationship to the patient.

#### Before

### **Results Review in PowerChart**

• When focus is on the Forward or Reverse button in Results Review, a blue border is displayed around the button.

### Before – no border around the arrow

#### After – blue border surrounds selected arrow

### **Report Request Maintenance**

• The Skipped request status is renamed to Canceled.
