Emergency Eye Wash Station Policy

Adopted Date: 12/13/10 Revision Date:
--

PURPOSE

To ensure the proper functionality of eye washing stations through weekly quality assurance testing and document testing on log sheet.

SCOPE

All areas / laboratories where eye washing stations are present.

POLICY

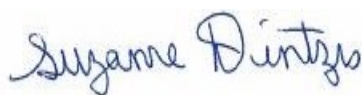

Staff is to make sure plumbed emergency eyewashes and hand held drench hoses are activated weekly to check the proper functioning of the valves, hardware and availability of water.

All problems are to be reported immediately to Operations and Maintenance.
