

MASSIVE TRANSFUSION PROTOCOL (MTP) RUNNER TOOL

Keep this sheet
and Patient Info:

Patient Location:

< Place Patient Sticker Here >
Or write:

Patient Name: _____

MRN: _____

1. Go to Blood Bank (Stone/Main Elevator, Floor G, Follow signs for Blood Bank/Lab)

- Open door, tell Blood Bank you're there for Patient Name/MRN, current location
- Wait outside the door of the Blood Bank

2. Once ready, take cooler from Blood Bank to patient unit

- Give to Transfusing RN or Charge RN

3. Return to Blood Bank to pick up next MTP cycle

- Return empty coolers to Blood Bank

Continue Steps 1-3 until you are notified that the MTP has stopped.

If you must hand off to another Runner:

- Contact Nursing Supervisor / Main Contact
